**PULVERMACH'S**  
**Hydro-Electric Voltaic Chains**  
CONSTRUCTED IN THE MOST NEW TO THE SKIN, PRODUCING  
IMMEDIATE RELIEF FROM ALL NEURALGIC AFFECTIONS—ELECTRIC  
**Permanent Cure of all Neuralgic Diseases.**  
Pulvermach's Electric Chains were first used in France  
three years since, for the cure of nervous diseases, and after  
being submitted to the most thorough trial every Hospital  
at Paris, the following results were obtained:—That they  
were recommended to the government of France, who  
granted a Patent for the discovery. During the year  
1852, they were introduced into Germany, Austria, Russia,  
and England, and were immediately adopted by the  
most distinguished medical men. They were, in the year  
1853, introduced into the United States, and patented

**Instantly Relieving Pains,**

**NO OTHER MEDICINAL AGENT** in the world can produce so many well-authenticated cures of cancer. For Scientific Physicians and intelligent Patients, as they have been, the only safe and adequate agent of the Drug Store of C. P. FESSENDEN who is the Sole Agent for Rochester, and who will explain the manner of use to one who may apply.

For the full and complete information, call on Dr. F. A. Broadway, there are daily being taken from 50 to 100 cases and the sale and demand in Boston is as great in proportion to the population, although they have only been treated three months.

The Christus are easily worn and are equally applied to all classes of persons, the Child as well as the Adult, and are equally effective in all cases. For further information, call on Dr. F. A. Broadway, or write to him at his office, 74 Broadway, New York, and he will send you the full and complete information.

**Card to Ladies.**

Ladies who are *enclairets* are requested not to use them only for a few moments at each time of applying, for prolonged continued use, increasing the frequency of use.

**One Word More.**

These chains are the same which the Emperor of the French lately sent over to England to try, through his agents appointed by him, their salutary effect in Cholera Small-Pox, &c., and which has proved eminently successful. Until now get a pamphlet of—

J. P. FLEISCHNER, Agent for Rockland,
